## LIST NO 49

# ALBUMS & ACCESSORIES

### USED PRODUCTS (ALBUMS & PAGES)

We do not sell, but destroy, used material which we consider as unsuitable for collectors.

The following grading system is our subjective opinion of the product's quality, and therefore relative value.

These items are all very expensive when purchased new.

#### SP Used Products Grading [remember even brand new shrink-wrap products often have minor blemishes]:

- |   |  |
|---|--|
| 5 | Pristine, as new, few if any blemishes   |
| 4 | Excellent condition, few minor blemishes |
| 3 | Good, occasional blemish                 |
| 2 | Fair, more blemishes                     |
| 1 | Acceptable, some detracting blemishes    |

### NEW PRODUCTS

We sell very few new accessories, our focus being on stamps.

However, due to constant demand, we are now stocking the following:

#### Hagners - 1 strip to 8 strip

<100	EACH	<b>\$1.40</b>
>100	EACH	\$1.25
>1000		negotiable

#### Lighthouse L4/30 stockbooks

(white pages, 30 pages, 9 strips/page; 540 strips/book)

Colours: red, blue, green, brown, black

EACH **\$39.95**

### ORDERING

To order items from this list, just carefully specify the SP numbers and prices. No further descriptions are then necessary.

### POSTAGE, PACKING & REGISTRATION

SP-A50-5	The following 6 volumes for East Germany cover the entire country from its birth at the end of World War II to its reunification with West Germany in 1990. These Borek albums are a matched set in very good condition. Most contain extra pages for specialist items and the pages are beautiful linen hinged in very good / excellent condition. The covers are also very good but have the occasional scuff mark from use and there is some ageing on the inside. Overall, they are very hard to fault; condition 4. It is our strong preference to sell the set complete. We do not have Borek prices but replacement cost (if they could be replaced) would have to be over \$200 per volume. There are no slipcases, and they weigh a ton. Set price (6 volumes):	\$500.00

SP-A73	<b>West Germany:</b> Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (Vol I) (no slipcase) for 1949-1984 (pp7-89, B1-B13); hingeless with black photos (the prior owner has added black well cut mounts as he acquired the stamps. These black mounts obviously obscure the photos but the relevant stamps could be identified with the aid of any standard catalogue. However, perseverance would be required. From 1949-1967, there is only the odd mount. From 1968-1984, all spaces have black mounts. Photo mounts have been used for booklets & M/S so the photos are obvious. These mounts can be peeled off the pages but do tend to leave a gum mark. If they were overlaid with black Hawid / Prinz mounts (to complement the rest of the album), this detracting would be removed. Condition 1 (because of the above). Very neat & clean.....For the value of the cover alone.	\$25.00
SP-A74	<b>Liechtenstein:</b> Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (no slipcase) for 1912-1998 (pp1-95 ex pp88-89 (1995), A1-A3, B1-B16, D1-D5, P1-P2); hingeless with black photos for each stamp, M/S (couple M/S pages are without mounts). Inside front cover has auction label remains; outside front cover has signs where adhesive labels were attached (not too distracting & could be perhaps remedied); inside jacket is aged (replace!); backs of the lower right corner of the first 20 or so pages have thumb marks where the prior owner has turned pages & it shows through on the front of the first 2 pages; some insect stains on the first 20 pages). Condition 1 (because of the above). Very neat & fairly clean apart from noted exceptions. If a few pages were replaced, this would be an excellent album. A good building block at a fraction of the initial cost.	\$40.00

SP-A77	<b>Gibraltar:</b> Dark blue vinyl 22 ring Collecta Album (no slipcase) for 1886-1986 (50 or so unnumbered pages); printed album in grey with each stamp identified; occasional photos (from 1946, the prior owner has added black pre-cut mounts as he acquired the stamps, with many of them (but not all) having photo type serrated edges (I guess he felt it looked sexy!). Although these black mounts obscure any photos, the descriptors clearly indicate where each goes. Hard to do anything with this setup except fill it with stamps! Condition 1 (because of the above). SP-A79	<b>Luxembourg:</b> Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (Vol II) (no slipcase) for 1980-1997. Neatly cut black mounts cover most stamp illustrations. A catalogue will help. 1997 pages are virgin (black pictures but no mounts). 13 blank brand new quadrille pages at the end could be useful. Again, we won't waste time here. SP-A84	<b>West Berlin:</b> Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (no slipcase) for 1948-1984 (pp1-50, B1-B6); black photos, but no hingeless mounts (the prior owner has added black pre-cut mounts as he acquired the stamps, mostly 1967 onwards. These black mounts obviously obscure the photos but the relevant stamps can be easily identified as the mounts are not fully adhered and most should be able to be removed or replaced with care. Booklets have photo mount remainders. There is evidence of hinging of used stamps, but the hinges were peelable and there are no hinge remains. The cover is a little faded and has some surface rubs on the inside front & there are very light pencil prices throughout (will probably come off with a good rubber). Condition 2 (because of the above). A very usable album with a little thought and planning. Black pre-cut mounts would be recommended for a top finish (we don't sell them so no barrow to push!)	\$30.00
SP-A85	<b>Norway:</b> Very deep blue with Coat of Arms 2 pin Davo Standard Album (no slipcase) for 1963-1982 (pp27-60), + appropriate A (air) & B(M/S) pages; hingeless with black photos for each stamp, M/S. Inside front cover has auction label remains; outside front cover has signs where adhesive labels were attached (not too distracting & could be perhaps remedied); tone spots on the back of some pages (not detracting). SP-A92	<b>West Germany:</b> Very bright blue 2 pin Schaubek Album (no slipcase) with about 80 (Schaubek (#50) blank) home engraved copperplate pages (with interleaves) for 1983-1996. Although printed by hand, the layout is immaculate and the printing superb. The prior owner hinged all his stamps so there is evidence of this in the frames for many stamps. You will need a catalogue to sort out the placement but each frame is numbered and sized for the relevant stamp. Pre-cut black mounts would be appropriate here (the owner has used a couple). We won't waste more time here. The pages are very unusable but are free. For the value of the Album cover alone which can be used for any country. [Tell us if we can destroy the pages. It will save you postage]. Album condition 4/5.	\$25.00

<b>CATALOGUES</b>		
<p><i>All of these catalogues were purchased NEW by ourselves for internal use and have been treated with care. Although used, they are all in excellent (many as new) condition. For catalogues in foreign languages, we use pocket dictionaries for translations which are not obvious. These are available from bookstores or larger newsagencies for around \$6 - \$10 each. Computer users can also purchase professional translation packages and foreign language dictionaries. However, they tend to be expensive (\$200+). For those with internet access, Google provides a free translation service with its standard search engine. There are also numerous other foreign language translation services on the internet.</i></p>
