LIST NO 56H

GERMANY: ALLIED OCCUPATION

List Structure:

- A. Allied Military Post -- 1945-6
- B. American, British and Russian Zones -- 1946-48
- C. British and American Zones -- 1948-49
 - D. French Zone -- 1945-49
 - E. Russian Zone -- 1945-49

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "Baden", or catalogue numbers eg "925", or subjects eg "Spring Fair". Remember, you are searching for what is printed in this list, so a search for "SG925" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a Germany supplier.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

USED STAMPS

For this period, used stamps are usually priced substantially more than MUH stamps.

For used stamps, most collectors of Germany want "socked on the nose" cancels to ensure genuineness.

Thus the FU / Used categorisation is problematic.

Fine used stamps have light circular or machine cancels and are defect free.

Used stamps are those with heavier postmark, or minor flaws, eg pulled perf.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

The prices in this list

INCLUDE

GST

All prices are in Australian dollars.
