LIST NO 70A

### British Antarctic Territory

#### List Structure:

All stamps are listed in approximately SG number order  
Broken Sets

**As these stamps are from a collection, unfortunately we have only one of each for most issues**

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "officials", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a British Antarctic Territory supplier.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

We list all items we have in stock, including broken sets, and singles from sets.

Unless indicated to the contrary:

For *se tenant* issues, MUH / M / MNG issues are joined; FU / used are singles.

For used issues *se tenant*, when available, prices are the same as MUH.

**Prices subject to change without notice.**

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

The prices in this list

**INCLUDE  
GST**

All prices are in Australian dollars.
