## LIST NO 71

**BRITISH COMMONWEALTH**  
**A - M**  
 (Countries for which there are no specific lists)

When we buy collections, we frequently acquire items which do not fit into our standard stock lists.

We usually have only one of each item.

This list is designed to accommodate such items from BRITISH COMMONWEALTH countries.

A separate list exists for foreign countries.

As they are one offs and non-stock items, we are prepared to discount their prices.

### List Structure:

COUNTRIES are listed in alphabetical order.

For each country:

all issues (commems, definitives, airmails, dues, express post, booklets, FDCs etc) are all together in approximately SG number order.

OMNIBUS ISSUES (eg 1977 Silver Jubilee) are at the end of the list in chronological order. Michel or Scott numbers are used when appropriate or when SG numbers are unavailable.

**Deduct**  
**20%**  
**from list prices.**

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for countries, eg "gambia", or catalogue numbers eg "237", or subjects eg "diana". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

First Day covers are clean & unaddressed. Exceptions are noted.

In almost all cases, they are priced as Fine Used stamps, ie there is no FDC premium.

Principal catalogue referenced: SG = Stanley Gibbons

Secondary catalogue references: Mi = Michel, Sc = Scott

Unless indicated to the contrary:

For *se tenant* issues, MUH / M / MNG issues are joined; FU / used are singles.

For used issues *se tenant*, when available, prices are the same as MUH.

Prices subject to change without notice.

A blank for a particular price (eg FU) means that we do not have this item in this condition. Rather than having to possibly retype the item at a later date, we have just left it in the list.

Consequently, it is pointless asking if we have a specific item when the price is blank.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

The prices in this list

INCLUDE

GST

All prices are in Australian dollars.
