LIST NO 10B

CHRISTMAS ISLAND

List Structure:

Commemoratives and definitives are listed together in SG number order
 SG and ASC numbers in italics are contrived

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "aerogrammes", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not obtain Christmas Island new issues.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

Prices subject to change without notice.

Used stamps include mint stamps without gum or postmark.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

The prices in this list

INCLUDE

GST

All prices are in Australian dollars.
