To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "officials", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a Czechoslovakia, Slovak or Czech Republics supplier. Consequently, where something is unpriced, we do not have it at present. However, please advise us of your wants as it may come into stock later.

We list all items we have in stock, including broken sets, and singles from sets.

**Prices subject to change without notice.**

Fine Used stamps include mint stamps without gum or postmark.

**Please note that GST (currently 10%) is applicable from 1 July 2000.**
