### LIST NO 95

## FOREIGN Non-British Commonwealth

When we buy collections, we frequently acquire items which do not fit into our standard stock lists.

We usually have only one of each item.

This list is designed to accommodate such items from non-British Commonwealth (foreign) countries.

A separate list exists for British Commonwealth countries.

As they are one offs and non-stock items, we are prepared to discount their prices.

**Deduct  
20%  
from list prices.**

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for countries, eg "gambia", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

→ indicates an airmail issue

→ indicates some of the set are airmail issues

□ imperforate

Principal catalogue referenced: SG = Stanley Gibbons

Secondary catalogue references: Mi = Michel, Sc = Scott

Unless indicated to the contrary:

For *se tenant* issues, MUH/FM issues are joined; used are singles.

For used issues *se tenant*, when available, prices are the same as MUH.

**Prices subject to change without notice.**

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

The prices in this list

**INCLUDE  
GST**

All prices are in Australian dollars.
