USED STAMPS

Used stamps are reasonably well centred, defect free and have light commercial cancellations. The British Post Office will NOT hand cancel mail, philatelic or otherwise. Registered &/or parcel mail yields only a minute percentage of suitable cancellations. Consequently, circular cancels are difficult to obtain. Thus many GB Fine Used stamps sell at a premium to MUH prices. Collectors who insist on circular cancels can expect to pay premium (FDC) prices on most issues. All decimal stamps are Fine Used and have circular or pictorial cancels.

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "officials", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We also have a number of GB suppliers.

Consequently, where something is unpriced, we do not have it at present. However, please advise us of your wants as it is usually directly obtainable.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

The prices in this list
INCLUDE
GST

All prices are in Australian dollars.
