### LIST NO 32B

**GREAT BRITAIN:**  
**DEFINITIVES from 1970**  
**MACHINS & COILS**  
**POSTAGE DUES**

This is a simplified listing of predecimal (£/s/d) and decimal (£/p) Machin stamps, decimal Wildings and high value definitives from 1970. The listing is based on SG Concise and updated regularly from *Gibbons Stamp Monthly*. Our Specialised Machins list is available for more advanced collectors. There is also a separate list for Regionals. Dates indicate when a particular stamp was first issued philatelically. However, those stamps may come from a number of sources (sheets, coils, booklets, prestige booklets) which have different issue dates and different attributes. As this is a simplified list, stamps supplied can be from any source and issued on dates other than those indicated. Collectors who require stamps from specific sources or with specific attributes are referred to our Specialised Machins List.

#### List Structure:

PREDECIMAL / DECIMAL MACHINS (by SG number)  
 HIGH VALUES - DECIMAL & PREDECIMAL  
 MULTI-VALUE COILS  
 UNDERPRINTS  
 DECIMAL WILDINGS  
 DOUBLE HEADS (PENNY BLACK ANNIVERSARY)  
 DECIMAL DEFINITIVES (CASTLES & BRITANNIA)  
 MACHINE VENDED LABELS (FRAMAS & FASTSTAMPS)  
 POSTAGE DUES  
 MINATURE SHEETS & PACKS  
 DEFINITIVE PACKS & FDC's

(a chronological listing of DECIMAL Machins appears at the end of the list, with set prices)

#### Separate lists exist for:

GREAT BRITAIN: Commemoratives  
 GREAT BRITAIN: Special Cancels  
 GREAT BRITAIN: Booklets, Panes & Airletters  
 GREAT BRITAIN: Definitives to 1969  
 GB: Specialised: Defins from 1970, Machins  
 GREAT BRITAIN: Regionals

**WE OFFER A NEW ISSUE SERVICE  
 FOR GREAT BRITAIN. PLEASE ENQUIRE.**

#### USED STAMPS; WE DO NOT SELL USED MACHINS

Fine used stamps are reasonably well centred, defect free and have light commercial cancellations. The British Post Office will NOT hand cancel mail, philatelic or otherwise. Registered &/or parcel mail yields only a minute percentage of suitable cancellations. Consequently, circular cancels are difficult to obtain and a number of GB fine used stamps sell in excess of MUH prices. Collectors who insist on circular cancels can expect to pay premium (FDC) prices on many issues. We automatically supply circular cancels when available. Good / average used, when available, sell for one half the FU price. Please enquire.

Please note that GST (currently 10%) is applicable from 1 July 2000.  
 International sales are GST free.

**The prices in this list  
 INCLUDE  
 GST**

**All prices are in Australian dollars.  
 E&OE**

<p>The above pack is essential for specialist Machins collectors as it is the only source of 5 specialised definitives.</p> <p>The last 5 stamps on the bottom row of the pack are all self adhesive, full die cuts (referred to by Unitrade as "cut to shape"), on white substrate (a Deegam term -- commonly referred to as backing paper).</p> <p>They have been punched from special coils expressly created to service these packs.</p> <p>The last stamp has already been made available in this form as singles from Royal Mail.</p> <p>The NVI 1st &amp; 2nd Machins have appeared on white backing paper from business sheets but only in kiss die cut format (ie surplus backing paper). This is their first appearance full die cut.</p> <p>The worldwide postcard and Europe airmail stamps have been available as singles, full die cut, but on booklet stock (red and blue backgrounds), having been punched directly from the booklets.</p> <p>This is their only appearance on white substrate from the specially created coils.</p> <p>However, other subtle differences exist. All 3 airmail stamps have dull fluor, and have been printed by Walsall in different shades to the originals which have brighter fluor.</p> <p>These varieties have been catalogued by Deegam and Connoisseur and, presumably, other specialist Machins catalogues will follow suit.</p> <p>It is uneconomic for us to sell only 5 relatively low values from the pack.</p> <p>We have limited stocks of this pack so, if you require one, please order quickly.</p>												
72	2006	GB Low Values: 37p - 72p									6.75

86	2010	 <p>The above pack is essential for specialist Machins collectors as it is the only source of 2 specialised definitives. The first 2 airmail stamps are self adhesive on white substrate and punched from special coils expressly created to service these packs. Unlike the examples in the previously illustrated pack, they are not die cut to shape but have been punched rectangularly with a white matrix border.</p> <p>The 2 airmail stamps were also issued in retail booklets of 4, but these have corresponding green and purple booklet covers, and no matrix.</p>										28.75
