To find an item in this list, please use Adobe's powerful search function.  
 To execute a search, click on the little binoculars in Adobe's toolbar.  
 You may then search for sections, eg "officials", or catalogue numbers eg "237", or subjects eg "Jerusalem". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.  
 We do not have a Middle East supplier.  
 Consequently, where something is unpriced, we do not have it at present.  
 However, please advise us of your wants as it may come into stock later.  
 We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.  
 International sales are GST free.

				<p style="text-align: center; color: green;">Items with prices marked in green in the MUH column are from a collector who felt that the best way to mount his stamps was to lick the corner of a tab and adhere the item to the page. All of the stamps are MUH and, for the most part, have full tabs with minor gum disturbance from adherence. They are priced as MUH without tab.</p>
