To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "dues", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

Consequently, where something is unpriced, we do not have it at present. However, please advise us of your wants as it may come into stock later.

**Prices subject to change without notice.**

For *se tenant* issues, MUH/FM issues are joined; used are singles.

For used issues *se tenant*, when available, prices are the same as MUH.

**Please note that GST (currently 10%) is applicable from 1 July 2000.**  
**International sales are GST free.**
