SG42

**At this stage, we have only one of each set.**

**They are from an album which, we suspect, has either been stored tightly or laid flat, resulting in many issues adhering to the album pages.**

**This explains the unfortunate number of Mint No Gum [MNG] issues, rather than MUH. However, these stamps are seen infrequently and the early issues of Laos are quite scarce and hence expensive.**

**Occasionally, some stamps have a strip indentation, a light impression on some large stamps from the above strip in the stock book.**

**However, the stamps are undamaged and are quite collectible.**

**The indentations will disappear with time in new mounts or can be pressed out.**

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "dues", or catalogue numbers eg "237", or subjects eg "elephant". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a Laos supplier.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

We list all items we have in stock, including broken sets, and singles from sets.

**Prices subject to change without notice.**

**Please note that GST (currently 10%) is applicable from 1 July 2000.**

**International sales are GST free.**

**The prices in this list  
INCLUDE  
GST**

**All prices are in Australian dollars.**
