LIST NO 40A

## NEWFOUNDLAND

### List Structure

All stamps are listed in SG number order

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "officials", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We also have a Canadian supplier.

Consequently, where something is unpriced, we do not have it at present. However, please advise us of your wants as it can usually be obtained directly.

**Prices subject to change without notice.**

We consider mint stamps without gum (or postmark) as Fine Used.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

The prices in this list  
 INCLUDE

All prices are in Australian dollars.
