LIST NO 90A

SOUTH AFRICA

List Structure:

Commems, definitives and airmails are all together in approximately SG number order

Postage Dues

Booklets

Premium Booklets

Christmas Label Booklets

Packs, Cinderellas, Framas

Exhibition Souvenir Sheets

First Day Covers

Special Cancels

The Philatelic Foundation of South Africa (rather than the South African postal administration) issued a number of Minature Sheets at a premium to aid various stamp exhibitions.

From 1996, sponsored [corporate] Minature Sheets were produced for specific organisations for advertising and publicity purposes and sold at face value.

Both were available through the South African Philatelic Bureau. They are listed by Michel and the SASCC but only noted by Stanley Gibbons. They are included in this price list for completeness.

For issues prior to 1952, and all broken sets, see List 48A - World - British Commonwealth

The definitives of South Africa are the most complex of any country we have encountered [GB Machins aside]. Please advise us if you find any mistakes.

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "booklets", or catalogue numbers eg "237", or subjects eg "cape town". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a South Africa supplier.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

All prices are in Australian dollars.
