### LIST NO 90B

## SOUTH AFRICA: HOMELAND STATES

#### List Structure:

Commems, definitives, airmails and express post are all together in approximately SG number order for the following countries:

**BOPHUTHATSWANA  
CISKEI  
TRANSKEI  
VENDA**

**In each Homeland State, The Philatelic Foundation of South Africa (rather than the relevant postal administration) issued a number of Minature Sheets at a premium to aid various stamp exhibitions.**

**They are listed by Michel and only noted by Stanley Gibbons.**

**They are included in this price list for completeness.**

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "airmails", or catalogue numbers eg "237", or subjects eg "elephant". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a South Africa supplier.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

We list all items we have in stock, including broken sets, and singles from sets.

**Prices subject to change without notice.**

**Please note that GST (currently 10%) is applicable from 1 July 2000.**

**International sales are GST free.**

**The prices in this list**

**INCLUDE**

**GST**

**All prices are in Australian dollars.**

**E&OE**
