## LIST NO 25

### OTHER PACIFICS FDC's

This list includes items that do not fit into Lists 21-24.  
 For stamps from these countries, please see  
 List 50A -- British Commonwealth.

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for countries, eg "cook", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list: so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

If it is not listed, or listed without a price, we do not have it in stock.

As this list covers "non standard" stock items, we regret we are unable to obtain non-listed items.

#### LEGEND:

All covers are illustrated unless otherwise indicated.

In general, decimal covers are unaddressed & predecimal covers addressed.

In the ?? column:
