LIST NO 56F

GERMANY: THIRD REICH

List Structure:

Commems & definitives are all together in approximately SG number order

Broken Sets

Se-tenants & tête bêche pairs from booklets

Officials / Party Officials

Military Post

To find an item in this list, please use Adobe's powerful search function.

To execute a search, click on the little binoculars in Adobe's toolbar.

You may then search for sections, eg "officials", or catalogue numbers eg "237", or subjects eg "aircraft". Remember, you are searching for what is printed in this list, so a search for "SG237" will fail as that alpha-numeric sequence does not exist.

We obtain our stock from collections we purchase.

We do not have a Germany supplier.

Consequently, where something is unpriced, we do not have it at present.

However, please advise us of your wants as it may come into stock later.

We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

USED STAMPS

To the end of Allied Occupations, we list mint stamps without gum as MNG.

They are priced less than Mint. For this period, Used stamps are usually priced substantially more than MUH/M stamps. For used stamps, most collectors of Germany want "socked on the nose" cancels to ensure genuineness. Thus the FU / Used categorisation is problematic.

Fine Used stamps have light circular or machine cancels and are defect free.

Used stamps are those with heavier postmark, or minor flaws, eg pulled perf.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

All prices are in Australian dollars.

<p>The 4, 12, 15, 40 & 50pf issues are very similar for the Third Reich & The Weimar Republic. Both issues are P14 x 14¼, NOT P14 & P14 x 14½ as shown by SG. Both issues have the same watermark. Thus the only way to distinguish them is by colour, and the colour differences for the 5 stamp pairs are subtle. Others stamps in each issue differ in value and therefore are readily distinguishable.</p>
